

Our vision and values

Our vision is of a world where all children and young people have a sense of belonging, and are loved and valued. A world where they can fulfil their potential, shape their destiny and experience the joy of life.

Passion – we are driven by our desire to help children and young people overcome injustice and disadvantage

Equality – we believe all children and young people have equal worth and equal rights

Hope – we believe in a child or young person's potential, no matter what they have experienced or what they have done

Prayer for Action for Children, the children's charity of the Methodist Church

Gracious God,

We thank you for men and women of vision who inspired Methodists in the nineteenth century to address the needs of neglected children. We thank you for a century of work in Wales, and all that Action for Children has achieved as its services and care have evolved and reached countless children and young people in Britain and throughout the world.

The increasing number of children and young people in Britain suffering neglect today angers and distresses us. Save us from blaming others and excusing ourselves and by your spirit quicken us to support the work of Action for Children afresh.

Inspire the work of Action for Children that, with partners in Britain and beyond, it may work with integrity, passion and hope to meet the needs of children, young people and families who need their care and support most, for as long as it takes.

Amen
