Parenting courses:

Parents on the Ball

Parents on the Ball is a 10 week program delivered jointly with the Albion Foundation. The program will look at parenting skills, increase confidence and health & fitness.

Triple P/Teen Triple P

Positive Parenting Program is one of the most effective evidence-based parenting programs in the world, backed up by more than 30 years of ongoing research. Triple P gives parents simple and practical strategies to help them confidently manage their children’s behaviour, prevent problems developing and build strong, healthy relationships.

Triple P gives parents simple tips to help manage the big and small problems of family life. Problems like toddler tantrums or teenage rebellion, self-esteem issues, bedtime battles, disobedience, aggression.

Changes

Changes is delivered in three age ranges 0-3, 4-10 and 11-19. The aims of the programme are to:

- Improve parent's knowledge, confidence and skills,
- Raise parent's aspirations for themselves and their children,
- To reflect on how parents can support their children's development and learning,

To encourage parents to take credit for their child's success and achievement,

To know where to find information, advice and support on children's development and learning.

Solihull Approach

- To promote understanding of children's behaviour within context of developmental issues
- To increase confidence and self-esteem in parent and child, to give parents strategies for repair when things go wrong
- To develop a framework for thinking about parent/child relationships,
- To promote reflective, sensitive and effective parenting
