Our Equality Objectives 2015-18

Objective 1: Every manager will ensure Action for Children provides an inclusive working environment that respects and values the diversity of its staff.

Objective 2: We will improve the diversity of our workforce and strive towards the most senior levels within the organisation reflecting the broadest possible diversity.

Objective 3: By 2018 we will be recognised as the benchmark children’s charity for equality and diversity and an employer of choice for employees and volunteers within the sector.

Objective 4: Our campaigns and policy development will raise awareness of equality issues and highlight how inequality reduces positive outcomes for children and young people.

Objective 5: We will pro-actively involve stakeholders in the design and delivery of our work.
